

Below are some of the feedbacks from weddings & events we have covered.

Absolutely chuffed to bits with our wedding pictures, Tim Page and Liz thank you so much, nothing was too much trouble on the run up to the wedding and on the day you both blended in and got on with it, so glad we had you for the whole day, you got some pictures and moments that we had forgot or not seen so seeing them all few weeks later was incredible. You helped make our day perfect and now thanks to you we have the memories to keep forever... You have such a talent and clearly love what you do, so keep up the good work.. Thank you xx Christina & Dan Beech.

Sarah Hutchinson to Tim Page

I want to say a huge thank you to you Tim and your wife Liz for being there to capture our special day! You have been so friendly and accomadating and nothing has been too much trouble. I am so so happy with all the photographs you took and our amazing wedding album that you created for us! It was a perfect day and you were there to capture every moment of it, every smile and every tear! Choosing a photographer for your wedding day is difficult as you are putting your trust in to somebody to get good photographs of a day that's only ever going to happen once but I didn't need to worry as you did a truly fantastic job! We cannot thank you both enough.

 feeling grateful.

Stacey Jones to Ringringphotography

We are so pleased with the photos that Tim Page took of our wedding in November. He took time out to meet us a couple of times before the wedding and made sure we were happy with the photos he was going to take. On the day, both Tim and his wife not only took the photos, but were also an immense help to the wedding party. The photos came back within a couple of weeks and our album not long after that. Communication was excellent and the photos even better.

Thank you.

Many thanks Tim Page really pleased with the album we got yesterday, a pleasure having you as our photographer, fantastic service start to finish... Thanks again Mick & Amanda Hill

An absolutely fantastic service, from booking to collection of our final prints and album, we couldn't have asked for a better service or better photos to capture our special day. So many people have commented upon how the photos really showed the atmosphere behind them, and the day. We cannot thank you both enough for everything you did for us and achieving all the shots we wanted, including my secret bridesmaid shots which I love. Thank you so much.
